

# FiberMax<sup>®</sup>

## DUNNAGE

*These things are bulletproof ; very hard with no noticeable flex. I have zero concern about them standing up over time.*

Scott Sutherland  
Sutherland Concrete

### ENGINEERED

Specifically designed to provide consistent and predictable rigidity and strength for a variety of soil conditions.

+

### BULLETPROOF

20 year expected lifespan, tough as steel without the weight. Impervious to water, chemicals and ultraviolet light.

+

### STRONG

Continuous glass fibers provide maximum strength and stiffness for guaranteed unbreakable performance.

=

### PROVEN SAFETY

Easy to handle, guaranteed unbreakable with the engineered rigidity and strength for your most demanding environments.
