OUTRIGGER PADS

The durability and performance of your outrigger pads is exceptional!

George Brown
Crane Service, Inc.

**RECESSED
RADIUS**
Be Worry Free!

ENGINEERED

Recessed radius is designed to safely contain an outrigger foot, while the thermoplastic material provides exceptional support.

+

BULLETPROOF

Drop them, drag them, submerge them in water, use them in freezing temps or searing heat. They're unstoppable.

+

STRONG

Exceptional yield resistance and load transfer delivers guaranteed unbreakable strength that will never let you down.

=

PROVEN SAFETY

Delivering the proven strength, reliability and safety thousands of operators around the world trust every day.
